

The Greens Terra Spike™ incorporates a compact design making the machine ideal for use on fine turf. Its robust construction enables the aerator to be used on a variety of sports surfaces. The Greens Terra Spike™ works to a depth of 300mm and boasts a very user friendly set up.

Terra Spike™ standard features

Vibra Stop: A key safety benefit to the operator, this is an integrated shock absorbing system which absorbs vibration

Quick Set Heave: Achieves a class leading 25° heave range. A simple, central and 'tool free' adjustment gives infinite heave setting between 90° and 65°

Quick Set Depth: Accurately set depths, regardless of which length of tine is fitted, just make one simple, central and 'tool free' adjustment

Power Pack: A central power pack helps to protect the tines from damage in extreme stony or hard conditions

Quick Fit: An integrated tine mounting and extraction system

The Greens Terra Spike™ includes PTO slip clutch, linkage pins, rear roller with scraper bar, a parking stand system, safety guards and first set of 12mm diameter tines.
